### More Information, More Confidence

**Safety** – The safety and health of everyone in, on, and around the equipment at the auction site is our top concern. Our one-of-a-kind Leaderboard® displays in-action equipment footage and key technical information, giving you at-a-glance access to the information you need most, and affirms our commitment to safety as it limits equipment operation in the auction yard to predetermined safety zones.

**IronClad Assurance** – Equipment with the IronClad Assurance buyer protection program means the item has been given a thorough inspection and the report is guaranteed to be an accurate description of the machine's condition. Inspection reports are available at [www.IronPlanet.com](http://www.IronPlanet.com).
